SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits the references listed on the enclosed Form PTO-1449, copies of which are enclosed, with the exception of the U.S. patent. A copy of a communication and a translation of the communication from a foreign patent office in a counterpart application is also enclosed.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

This statement is being filed after the mailing of a first office action on the merits, but before the mailing of a final office action. A check for \$180.00 in payment of the late submission fee set forth in 37§C.F.R. 1.17(p) is enclosed. I, the undersigned, hereby certify that each item of information contained in this statement was first cited in a search report from a corresponding international application, dated August 16, 2005, which is not more than three months prior to the filing of this statement.

Applicant notes that an Information Disclosure Statement and a Form PTO-1449 were filed in this case on July 27, 2005. The Examiner signed but did not initial the reference. Applicant thus requests an initialed copy of the Form PTO-1449.

Respectfully submitted,
